Post Office Box 7068
Pasadena, CA 91109-7068

Commissioner:

I, Jinyan Li declare and state as follows:

1. I am the sole inventor for the subject matter described and claimed in U.S. Application No. 10/524,606.
2. I am co-author of the publication entitled "Identifying Good Diagnostic Gene Groups from Gene Expression Profiles Using the Concept of Emerging Patterns," May 2002. This publication describes my own work. I am the sole inventor of the subject matter disclosed in this publication and disclosed and claimed in U.S. Application No. 10/524,606.
3. The other author of the publication, Limsoon Wong, is not a co-inventor of the subject matter described therein.

Application No. 10/524,606

4. I declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code and such willful false statements may jeopardize the validity of the application or any patent issued thereon.
